Good afternoon and welcome back to term 4, the last for the year. WOW hasn’t that gone quickly. Last week Siobhan, Sam (School Captains) and I went to a function to acknowledge 30 years of School Crossing supervisors. This was a great way to acknowledge our two ladies Barb and Rosalyn for their great work here at Geebung State School and the work of other supervisors in the local area. Well done and great work ladies for keeping our students safe when they come and go from school.

The term has started at top speed with Year 5’s already back from camp. To the students and the staff who attended the Currinuni Sport and Rec Facility thanks for your great behaviour and also for the time you put into organising and attending the camp. To Mrs Newton, Mrs Joyce, Mrs Edwards and Mr Meharg thanks for giving up your time and time with your families, it is much appreciated by all.

Even though it is last term there is still a need to focus on A+B = C. For those new to the school A= Attendance and yes we want your child here at school every day, unless they are sick. B is for behaviour and yes we want your children behaving at school so that we can teach them C which is a quality Curriculum. Attendance is averaging at 92.04 % overall. Keep in mind that our aim is 95%. Disappointingly there are a number of families who will receive a letter from me this week asking for an explanation about their child or children attendance. Simply many of these absences are unexplained, which can mean that no phone call was made to the school, although it can mean that children are having days off. This is unacceptable as the legislation states:

Each parent of a child who is of compulsory school age has the legal obligation to ensure their child is enrolled and attends a state school or a non-state school, on every school day for the educational program in which the child is enrolled, unless the parent has a reasonable excuse.

A child should be enrolled in and attend school in the year that they turn compulsory school age (six years and six months). Each parent of a young person in the compulsory participation phase has a legal obligation to ensure that the young person is participating full-time in an eligible option, unless the parent has a reasonable excuse.

Keep in mind this is about getting your child or children to school so that we can teach them, which is what we want to do! In terms of behaviour we are improving as in 2013 we had 19 suspensions and to date in 2014 we have had only 11. This trend is pleasing, however we need to continue to work to reduce this poor behaviour in a small percentage of our students! The most salient point here is that with behaviour and attendance both improving from 2013 our students results have also improved – well worth considering!

Arbor Day was held on Tuesday 14th October, 2014. Thanks to the grounds committee in particular Brett, Trudy and the diggers who managed to dig 70 plus holes in preparation for the tree planting. It was also great to have Fiona King here supporting the school as she always does. Well done to all concerned and thanks to all students and staff for cleaning up Geebung State School on the day also.

Canberra Trip 2015. Have your returned you deposit? Are you wanting your child in Year 5 this year to attend camp in Canberra in 2015? The due date is Friday 24 October 2014. Please be aware that a minimum number of participants are required in order for the camp to proceed. Based on the number of deposits received a decision will be made at the end of the month on the feasibility of the camp proceeding.

P&C Meeting – At the P&C meeting this week I started to talk about the Whole School Support Model 2015 and the School Sport Model 2015. I have asked the P&C members to spread the news and we are looking for feedback from parents in relation to these issues at the next P&C meeting. Very briefly we are looking to bring our support services in line with Federal and State policy and supporting our students predominately in class (inclusion). The exception will be in afternoon sessions when student specific disabilities can be supported to further develop their capacities to function effectively in the school. Parents with students who have a disability, there will be a meeting to explain this procedural change in coming weeks so that we can get your feedback. In relation to school sport we are looking at involving more students in sport every week via a school based sporting program running over 36 weeks in every year for 1-6 and in terms 2.3 and 4 for Prep students on a Friday afternoon. The aim would be to then get involved in GALA days with other schools to use the skills we have learnt rather than having to develop our skills during Friday afternoon sport. This model would see more students involved in more sport more often which is very much a good thing from where we as a school are sitting.

We have received some very good news in terms of additional Grants to the school. The first was some $27000 plus to find out more about the Dinosaur discovery at Geebung last year. This is being done in cooperation with the QLD Museum. The second is for the planting of fruit trees from the Brisbane City Council which will see E block gardens re-planted with trees of a much smaller size that will reap some rewards in terms of fruit for the children to try and even sell through our stall that happens many weeks in the year. Again well done to Kylie Johnson for her work in this area.

Date claimers:
- School Disco—Wednesday 3 December 2014
- Free dress Day—Thursday 11 December 2014
- Graduation evenings—Tuesday 9th December 2014 for Year 6 and Wednesday 10th December 2014 for Year 7 at the Geebung RSL.

Swimming started this week and it will be continuing for the rest of the term. PLEASE make sure you have the necessary equipment each day your lesson is on.

Have a great week.

Principal
From the Deputy Principal

Welcome to Term 4.

It was a pleasure to attend the Year 5 camp last week at Currimundi on the Sunshine Coast. Our future student leaders participated in a range of activities that were designed to strengthen their self-awareness as well as build their leadership skills through team programs. The students were challenged physically as well as their thought processing. As usual the standard of behaviour was high and the camp staff commented on Geebung State School’s high level of manners and motivation. It’s important to thank Mrs Joyce, Mrs Newton and Chaplain Kerry for their hard work in preparing and running the camp.

This term the teaching team are doing some work around the giving of feedback. Research shows that quality teaching combined with targeted and timely feedback are vital to improve student performance. As a team we want to continue to develop our own delivery of feedback and so we will allocate several hours of professional development to this. Also, this term we are preparing for the semester two reporting period. This will require teachers to meet together and moderate student work samples so we can report accurately on each of our children. Reports will be handed out in the last week of school.

Instrumental Music Program: I’d like to take a minute to thank Alyson and Rebecca for their hard work and enthusiasm in providing our students with a fantastic instrumental music program. Thanks also goes to the students and parents who support this program with a commitment to attendance of lessons and regular, daily practice. These are life-long skills our students are developing which will benefit them in times ahead. Look out for more information about our MAD concert later this term as we celebrate the students performances.

PREP 2015 ENROLMENTS

Parents and caregivers with children starting Prep in 2015 are asked to please make contact with the school to enrol for next year at their earliest convenience.

Please encourage relatives and friends who are considering enrolments for 2015 to make contact with the school. While the start of the 2015 school year may seem a long way off, the official staffing process for next year has begun and early knowledge of enrolments assists us greatly with our planning.

Hi Everyone,

Welcome to music Term 4 just a reminder that Choir rehearsals continue in earnest as we look to our next performance at our end of year Concert as well as some exciting Community events towards the end of the year.

Remember our two choirs here at Geebung: Junior Choir (Year 1 to Year 3) rehearsal time Mondays at second break and Senior Choir (Year 4 to Year 7) rehearsal time Mondays at first break and Tuesdays at second break. I would love to see all the students who participated in the choirs this year to continue and any children interested in singing to come along.

As we are preparing for our concert please note that all Music performance uniform shirts issued for the Bramble Bay Music Festival need to be returned to the office as there are some that are still missing and need to be accounted for.

Being part of the Choir program is made through a commitment to in School rehearsals and practice at home. It is in this way we can improve our musical skills to lead to more rewarding performance experiences.

Remember all are welcome to join in the fun!

Yours in Music,
Julie West
Classroom Music Specialist/ Choral Conductor

Band Rehearsals are underway! The rehearsals will be in the Hall and will run from 7:50am – 8:40am. Please arrive at least 5 minutes early to allow enough time to set up instruments and stands so that the baton can drop right on 7:50am.

Dates are:
- Tuesday 21st October 2014
- Tuesday 28th October 2014
- Tuesday 4th November 2014
- Tuesday 11th November 2014
- Tuesday 18th November 2014

It is very important that all students attend these rehearsals each week as we finalise our preparations for the Inaugural MAD concert. Please make sure your student is on time so that we can maximise our large group rehearsal in the hall.

IMPORTANT: Some students have been coming to lessons without all of their equipment. Students must bring their instruments, ALL MUSIC and a pencil to every lesson. Sheet music that is handed out is a valuable resource. Please check in with your student to see how they are caring for their music and remind them to bring everything to rehearsals/lessons.

Recruiting for 2015 is underway. Invitations to the Information Afternoon were sent home last week. Please return your attendance confirmation ASAP so that we can plan for the afternoon.

Happy Music Making,
Ms V

Japan Trip 2015 Information Evening

- **Date:** Monday 3rd of November 2014
- **Time:** 4:00 to 5:00pm
- **Venue:** the computer lab @ Virginia State School

Konnichiwa, everyone. We are having information meeting on Japan trip 2015 at the computer lab (Virginia State School) on Monday 3rd of November 2014.

I would like to provide basic information on the trip, show a video clip from the previous tours, and answer questions you may have.

If you have any query on the meeting or trip, please do not hesitate to contact me at tnona15@eq.edu.au. Both parents and students are welcome. Those who have not decided to join the trip yet are also welcome.

Thank you & Arigato.

Tsunehiro Nonaka (Japanese teacher: Sensei)

Congratulations

Past Student

A past student of the school Megan Christensen has been chosen as prefect for Kedron State High School for the year 2015. Megan was a past Cultural captain at Geebung State School and has the same role at Kedron State High School. She is doing really well with her grades also.
Library Resource Centre

The new term is gearing up to be an exciting and busy time. The Library is in full swing processing around 600 new Home Readers for our students to enjoy and develop their Literacy skills with their families.

During week six the Library will host a Book Fair for the students and families to purchase quality children’s books. Books will be available for sale from Monday, 10 November, to Wednesday, 12 November 2014. Our Library benefits from every sale so it enables us to purchase extra resources for the Library. This is an excellent opportunity for some early Christmas shopping! Towards the end of the year the Library will hold our annual Christmas Appeal for the Salvation Army.

HPE News

The HPE award acknowledges exceptional effort and attitude in HPE lessons. Last week’s award winners were Thomas H (2A) for always trying his best in PE classes and Thomas P (7A) for displaying great sportsmanship.

Swimming started this week! Students are reminded that they must have a swim shirt and cap to swim. Unfortunately, if they do not have a swim shirt and cap they won’t be able to swim. Swimming caps can be purchased from the tuck shop. If you are interested in helping out with swimming by working with a group of students please let me know. This would be particularly useful in the younger grades.

Chaplain’s Corner

Hi welcome back! I trust that you had a nice break over the holiday period.

Term four is looking very busy for the chaplaincy service here at Geebung.

Lunch Activities:
This term the lunch activities will change to WEDNESDAY. With the help of Miss Stagg, we will be running a similar activity to the one in term four last year. The students will verse adults. Parents, staff, aunts, uncles, Gran parents (anybody you can muster up) in ball games. Years P-3 will do 3 weeks followed by years 4-7 for 3 weeks this will begin in week 3 being the 22nd of October. Heaps of fun was had last year and we hope that you can join us this year, even if it is only for one week.

Operation Christmas Child:
Once again this year we as a school will participate in Operation Christmas Child.

This is where we as a school fill shoe boxes with gifts for children less fortunate than us; these are then distributed through Samaritan’s Purse.

How it works: You pick a gender; choose an age group 2-4, 5-9, 10-14; then purchase a gift from one/two/all of the following categories:

- **Something to wear:** T-shirt, polo shirt, shorts, skirt, beanie, cap, sandals, underwear.

- **Something to love:** teddy bear, doll, soft toy.

- **Something special:** carry bag, sunglasses, bangles, stickers, necklace, craft kit, note or photo of yourself.

- **Something for school:** exercise books, pencil case, pens, pencils, colouring pencils, sharpener, chalk, and eraser.

- **Something to play with:** tennis balls, cars, skipping rope, marbles, musical instrument, yo-yo, slinky, finger puppets.

- **Something for personal hygiene:** soap & face washer, toothbrush, hair brush, comb, scrunchies’, hair clips.

These items can then be dropped off/left in the baskets at the office. The gifts will then be assembled into the shoe boxes and delivered to Samaritans Purse.

The final day for bringing in items will be Thursday 20 November 2014.

Parent workshop: On Thursday November 6 we are having a Mums and Dad Make and Take workshop. Parents are able to create activities and games which will help their early year’s child/ren with their learning. Child minding and morning tea are provided. This workshop is open to the community so please invite family or friends whom may benefit. Please RSVP by November 4 to kerrye@chappy.org.au or 3623 8777.

Term 4 – 2 Separate Commonwealth Bank School Banking Competitions

As we move towards the end of the year, the Commonwealth Bank School Banking Program is having 2 National Competitions.

Firstly they are looking to reward regular savings by sharing the Dollarmites latest find, precious prizes from the ancient Clam of Fortune. For this Competition, all students need to do for a chance to win is make a deposit of any amount through School Banking between 20th October - 30th November 2014. They will automatically receive one entry into the competition every time they deposit during the competition period, with a maximum or 6 entries (one per week). So the more they save, the more chances they have to win a prize.

The Second Competition is a National and Regional competition where Smart Savers can win an Ipad for themselves and even one for their School. There are 6 to be won in our Region. Nationally, one lucky winner will receive $1000 for their savings. All you have to do is tell us in 50 words or less what you are saving for and what you are going to do to get there.

Please refer to both Flyers in this Newsletter for all the details/requirements and full terms and conditions.

Other Banking News - Whale Shark Pencil Case extremely Low Stock

Stock of the very popular Whale Shark Pencil Case is now critical with stocks expected to be depleted within 1-2 days.

Once stock is depleted this item will no longer be available and will not list as a Reward Option in the Ordering screen.

Lastly, Geebung State School Banking Very Own Competition for Term 4

Yes, we are having our very own Competition. Every child who deposits any amount through School Banking in Term 4 will receive an entry into the Draw. Entries close in week 8 and the winner will be announced in week 9 with the prize handed out at Assembly. So keep sending your deposit books every week to enter into the draw.

Banking Co-ordinator

Tuckshop

Please come and buy some raffle tickets for a bucket of organic honey donated by 2 busy bees. The draw will be next Wednesday if enough tickets have been sold.

Helpers are needed urgently please phone or call in and put your name on the calendar. Donations of tinned tomato and pasta spirals are needed.

Please support your tuckshop.

Term 4 looks to be a busy one in our school community.

Swimming club has started up for the new season and the first club night last Friday was a great success. A big welcome to new families to the club this year and welcome back to our ongoing members. It was a beautiful night by the pool with some fantastic swimming and lots of enthusiasm. Club nights are held every Friday night during Term 4 and 1 with warm ups at 6pm for a 6:30pm start. The swimming club also held a sausage sizzle at Bunnings Carseldine on Sunday and raised approx.$1600 for the club — thankyou to all the volunteers who helped out on the day.

This week we celebrated Arbor Day and would like to say a special thankyou to our garden coordinator Trudi Melloy for her part in organising the afternoon. The garden plots will be replanted shortly with student involvement in the selection of plants.

Outside School Hours Care will be hosting a Tupperware Party on Saturday 25 October at 11am in the OSHC building. Please RSVP to allow for catering. If you cannot make the party but would like to order Tupperware the catalogues will be available at the shop when the uniform shop is closed.

Our major fundraiser for this term will be a Skip –A-Thon. This will be held on Monday 3 November in the hall area. If any parents are able to assist with rope turning on the day please let the office know. There will be 2 classes skipping at a time in half hour blocks throughout the day with older grades matched with a younger grade. Collection envelopes will be sent home in the next few days.

Remember to join our Facebook page and keep in the loop with what is happening around the school. It is especially useful for receiving reminders for current events.

The next P&C meeting will be on Tuesday, 11 November at 7pm in the library and will be our last meeting for the year.

The shop will be open prior to the commencement of term 1 on Thursday 22nd January from 9am to 12noon and 4pm to 6pm. Any polo preorders can be picked up on this day or when school commences the following week.

DRESS CODE
I often get asked about our school uniform and what is required, so I thought I would take this opportunity to publish our current school dress code which is available at the school office.

Under Section 360 of the Education (General Provisions) Act 2006, a school Principal may develop a Dress Code for the school's students in consultation with the parents, students and staff at the school. This document articulates the acceptable dress standard for students of Geebung State School which has been developed through consultation between the Parents & Citizens Association, the School Administration and the wider community.

The Geebung State School community actively supports the implementation of a school uniform for students. Children are encouraged to wear the school uniform each day and students are especially requested to be in the appropriate uniform at formal occasions (Assembly, Anzac Day Ceremony, School photos) and when participating in special events or activities (sport, band/choir performances or excursions).

Our uniform is a green, black and white check shirt or dress, bottle green and white polo shirt with embroidered school badge, black shorts/skirt/pants/skort, bucket hat with embroidered school badge, white/black or bottle socks, black enclosed shoes or black/white joggers.

LOST PROPERTY
Items are available for viewing on Friday's. Items found with names are returned to students but the amount of unnamed items is increasing.

I urge parents/carers/students to ensure all items of clothing, lunch containers, drink bottles and swimming bags and their contents, be named clearly so items are easy to return to students.

2014 is the 30 year anniversary of the School Crossing Supervisors program in Queensland. To celebrate the School Crossing Supervisors were invited to a Morning tea held at Chermside Library organised by Jason Woodforth.

**Gardening**

Spring is well under way and now is a great time to dig in (can’t resist a good pun!). The garden plots are awaiting the first quarter moon phase to plant new seeds and seedlings. So in the meantime, the students will have the opportunity to vote on what seasonal plants they would like to include to top up the depleting garden beds. This term we will also be concentrating on adding no-dig garden beds to the vegetable garden and progressing the hanging tomato plants - we would love any old or new buckets (with a lid) around the 5 litre size. If you can help out, please leave them at the office and I can collect.

Student Council leaders are finalising the roster templates to distribute so students who would like to participate in either the sale of the garden produce (year 3 and up) and/or help in the garden (prep onwards) will have the chance to write their name down to help on rostered days. Spaces are limited so please mention to your child that this is the chance to become involved on a regular basis.

Arbor Day celebrations went really well on Tuesday with Councillor Fiona King attending to say a few words about the significance of Arbor Day and plant trees with school class representatives. 79 trees were donated by Brisbane City Council and we have used them for re-beautification and to prevent erosion on the Ellison Road embankment after the big tidy up there several months ago. A big thank you to Brett for his help digging the holes in preparation for the day and to Fiona McGuire who again was generous with her time and talents to photograph the event.

Huge thanks to Kylie Johnson for her work with Stephen Auer to obtain the Lord Mayor’s Suburban Initiative grant to enable fruit trees to be planted around the school this term. Again, the students will have the opportunity to vote on a finalised list of what types of fruit trees to plant. Thanks also to Trish and Jason and Mark for their ongoing support as members of the gardening committee. Next gardening meeting is the first Friday of November (7th) 2014. We would love to see you there.

Year 5 Currimundi Camp

From 8th to 10th of October 2014, the Year 5’s attended camp at the Currimundi Active Recreation Centre. All students involved were enthusiastic, well behaved and had some wonderful, and sometimes challenging, experiences.

Here are just a few:

Have you ever been on Currimundi Camp? Well I have and it was the best three days of my life. We did activities, such as fishing, beach games, raft building, circus skills, alpine rescue and stand up paddle boarding. They were all extremely fun and challenging.

By Grace

I learnt the importance of team work and leadership. Leadership is about helping others and showing people right from wrong. Team work is about being able to put others first and work together.

By Cassie

“Splash!” In jumped Cassie, Grace and Maya. The big pool party had begun. With loud, pumping music and heaps of cool pool party toys, this was going to be the best activity yet. We had loads of fun doing the cha-cha, chicken dance and heaps of other dances. Near the end, I decided to do a cat walk with my friends, which was fun.

Through the camp activities I learnt that working as a team is very important. As we had to solve problems and work as a team, I noticed that if you don’t give up you can accomplish anything and solve your problems.

MOVIE IN THE PARK
Hosted by Aspley Scout Group
Funds raised will assist Scouts to attend the 24th Australian Scout Jamboree in Sydney in January 2016.

A teenager finds herself transported to a deep forest setting where a battle between the forces of good and the forces of evil is taking place. She bands together with a rag-tag group of characters in order to save their world -- and ours. Starring Amanda Seyfried, Josh Hutcherson, Beyoncé Knowles. RATED (PG).

WHEN: Friday 24 October at 5.30pm
Movie to start at 6.30pm
WHERE: Marchant Park, Aspley
Ellison Road, near Boulter St

Sausage sizzle, drinks, popcorn, coffee and burgers will be available to purchase on the night.

FREE EVENT!

Proudly supported by the Lord Mayor’s Suburban Initiative Fund and Councillor Fiona King.
