Welcome to the second last newsletter for the year. There are a number of issues to highlight this newsletter so please read this carefully.

Matthew Meharg will be taking up an acting position at Albany Hills State School for the first 6 weeks of 2015. There is a possibility this will be extended however until we know we will just presume it is 6 weeks. I am sure all would join me to wish Matthew best of luck for this experience.

Sue Joyce will be finishing this year a week early and then heading off on transfer in 2015 to Craiglea State School. We thank Sue for her contribution to our school over a number of years ranging from the work she has undertaken in class, in the area of WH&S and the school camping program just to mention of few.

Next Wednesday we will sit and start forming classes for 2015, during the staff meeting. If you have issues you would like considered in terms of class formation there are a very clear set of guidelines for parents to consider before you complete the form that is attached in this newsletter. These MUST be returned to the school by Tuesday the 2nd of December 2014 please. At this stage we will generate two options as we may have 11 or 12 classes.

The School Review report is still coming however the reviewers of the Review Team will be out on Thursday 4th of December from 8:00am until 11:00am to collect our feedback. Those parents who spoke to the School Review team earlier this month are welcome to come and give our reviewers some feedback about the process.

Report cards are almost complete and are then read by Matthew and I. Please take the time to read these carefully when you receive these on the 11th of December.

Last newsletter I promised that the School Opinion Survey results would be discussed in more detail in coming newsletters. Well as promised here it is.

Students’ Opinions - 89 students responded in years 4, 5 and 6 in 2014, up from 81 in 2013 and 78 in 2012. Students were most satisfied (98.9%) with my teacher motivates me to learn, my teacher expects me to do my best and my teachers help me with my school work when needed. The areas for improvement with 89.8% satisfaction are my school takes students opinions seriously, I am encouraged to use computers and other technology for my learning, and I use computers for my learning.

Parents’ Opinions - 27 parents responded in 2014 up from 19 in 2013 and 23 in 2012. The highlights were 100% satisfaction with I can talk with my child’s teacher and that the school looks for ways to improve. The area we need to improve on most (80.8% satisfaction) is parental understanding of how computers and other technologies are used to enhance my child's learning. Also needing improvements scoring 84.6% satisfaction are the school provides useful information on line, the school asks for my input and the school takes parents’ opinions seriously.

Staff Opinions were reported in 42 areas. 34 of these areas reported 100% satisfaction from the staff surveyed. The areas need the most improvement scoring 87.5% and 92.9% satisfaction respectively were I feel I have a good work life balance and the school encourages me to take on leadership roles.

This is just a summary. Full information can be collected at the office on request.

Are you with us next year? It is really important that you advise us if you are moving on. This allows us to accurately predict our student numbers for 2015 which means we can predict staff numbers. Please help us out.

A big thank-you needs to go to the P&C this year for their contribution to a new LAB full of computers (see photo on the following pages). It is great to have up to date technology in the school for our students use. Thanks also to Howard Scott for his work in installing all of these and having them ready for student’s use so quickly.

Finally, it has come to my attention that they are some concerns regarding the tree removed on the corner of Ellison and Newman Road. As part of Education Queensland’s tree removal process an arborist was called and he condemned the tree as it had shifted 45 degrees due to the large weight of branches on the northern side of the trunk. In his opinion the tree presented a major safety risk to students, and the general public who walked, and/or drive past the school as well as the OSHC facility. In the New Year we are more than happy to look at how we go about revegetating the area. I’m sure that all would understand that safety is paramount in a school facility.

Have a great fortnight

Welcome to week 8. Everyone is tired, busy and working hard to finish off the year’s work.

Be Safe, Be a Learner, Be respectful and Be Responsible. Our new Geebung Flyer school rules are taking off! It’s been wonderful hearing students articulate these rules and more importantly why we have them. Please take time to continue to talk about these rules with your children.

Last week it was a privilege to host the Volunteers Morning Tea. These parents, uncles and aunts, community partners and grandparents all give up their time to support our students. Although amazing success was accomplished this year, we still have plenty to do so when you’re making your new year’s resolutions in a month from now, why don’t you challenge yourself to get involved with a volunteer program at Geebung State School. You can make a difference!!

Reading Army: The reading Army has finished for the year. Students and Teachers report that the gains for our students are visible! On behalf of the school community I wish to thank the Reading Army for their commitment and willingness to help every student read with an adult everyday.

Social Media: At times situations arise at school that require teachers and admin staff to implement consequences and align these with opportunities to teach our students a better way to handle situations. This is part of growing up. It is important that after these events we all try to move forward. Discussion of things that happen at school on social media can escalate situations so it’s important that parents monitor this usage. Our Geebung Flyer school rules clearly state that students should feel safe when they come to school and that all students should act in a respectful and responsible manner. Students who use social media in an anti-social manner are at risk of breaking our school rules when the students bring these conversations into school. The school will act on situations that arise at school and disrupt the good order of school for others. A simple way to avoid this is to closely monitor what your children say on the internet with strict supervision. Learning is our priority at school, don’t forget A + B = C. Attend and Behave at school so that nothing gets in the way of students learning the Curriculum.

Cultural Excellence: Geebung State School has been named the North Brisbane Winner of the Cultural Excellent for our work in hosting Japanese study tour students. Thanks to Misato from AJSP for presenting us with the certificate and a $200 prize. We will use this money to purchase some resources for future study tours.

Car Parking: Parents, a reminder that parking over the line outside the front of the school places your car in a “No Parking” zone and you can be booked. Also, thanks to our parents who collect children at the stop drop and go turning circle. It has been working smoothly recently thanks to everyone’s patience and cooperation with the system.

Swimming Carnival: Students who turn 9 this year and older are participating in our annual swimming carnival. Come along for a fun day.

Matthew Meharg
Deputy Principal

**PREP 2015 ENROLMENTS**

Parents and caregivers with children starting Prep in 2015 are asked to please make contact with the school to enrol for next year at their earliest convenience.

Please encourage relatives and friends who are considering enrolments for 2015 to make contact with the school. While the start of the 2015 school year may seem a long way off, the official staffing process for next year has begun and early knowledge of enrolments assists us greatly with our planning.

**Guitar Lessons**

I’ve been teaching guitar and bass for 25 years and am constantly adapting my teaching style to cater for each individual. I like to work in a relaxed atmosphere and have a comfortable well-equipped studio. These days we are using iPads, iPods YouTube and recording software to ensure a unique learning experience for each student. I focus on promoting good technique and learning the fundamentals of music but I also teach students the songs they want to play. I’m just up the road in Geebung near Gerns.

My number is **0412 962 669** if you want to book yourself or your child into lessons.

Once again a Fantastic Concert!

Congratulations to all students and teachers involved in last Wednesday night’s MAD Concert. It was a fantastic night where all Instrumental, Choir and Dance students rose to the occasion both through their behaviour and performance. A big thank you also goes out to the parents, families and teachers who made up a very supportive audience.

Many thanks to all parents and teachers, who assisted with the preparation, set up and during the performance, particularly the P&C’s Mrs Fleur Stanford, Chappy Kerrie and Mrs Brennan and Mrs Johnson from the office. Your assistance help make it a positive and memorable night for our music program students. I would like to give a special thank you to Mr Meharg and Mrs Conomos for setting up the display of student Art for the evening. Thank you also to Brett Thorne for his practical and technical support and Ms van Gaalen and Miss Moore for their musical expertise and again Mrs Conomos for her Dance expertise.

Both Junior and Senior Choir members sang with great focus and enthusiasm and I applaud their efforts through the rehearsal process. It was wonderful to see the students’ joy in their musical performance.

I would like to give a big thank you to our Junior Choir Senior leaders, Bree Stanford, Rachel Earle, Jeffrey Wilson and Shane Geisenberg for all there help this year. Your contribution made the Junior Choir program possible.

Don’t forget that both the Senior Choir and the Junior Choir have been invited by Sandgate Rotary to participate in their Carols in the Park event. Parent permission forms went out this week. If you have any queries you can email me jwest269@eq.edu.au.

Details for the performance are included below:

- **Date:** Thursday 4th December
- **Time:** 5.30pm for a 6pm start.
- **Venue:** Einbunpin Lagoon, Sandgate.
- **Dress:** Christmas clothes/colours (red, green, white), tinsel, Santa hat etc!
- **Supervision:** As this is an evening performance, students must be accompanied by a parent to and from the event and parents must remain at the event for the duration of the time their child is performing. When students are not performing, they are under the care of their parents. Chappy Kerry will be the Geebung State School contact person for the night and I thank her for her support in helping this event happen.

Yours in Music,

P&C News

The end of the year sure is narrowing in now.

It has been a great year for the P&C with our OSHC, Tuckshop and Uniform Shop providing an outstanding service throughout the year once again. As a relatively small school we are very fortunate to have our tuckshop open 5 days a week, the uniform shop is always updating stock and kept very orderly with new and second hand uniforms while OSHC receive very kind compliments on their fantastic service and variety of activities for the kids. We look forward to another successful year in 2015. If you are able to help out in the tuckshop for 2015 please see Leanne or Helen. If you would like to enrol your children in OSHC for 2015 see Kylie or Tracey or leave a message at the school office and someone will contact you.

Thankyou also to our volunteers who helped out at various events and fundraising projects throughout the year. We always have a great time and it is very rewarding experience when you are helping out the school and students directly. We hope you enjoyed the Volunteers Morning Tea.

Swimming Club for this Friday night will be on at 6pm for warm-ups for a 6:30pm start. Parents remember to wear you swimmers for the parent race. The special event this week is 100m Breast-stroke followed by the usual events.

Thankyou to all families that have donated to the Christmas Raffle. We would like to have several raffle hampers and prizes so keep them coming! Some great hamper items are chocolates, biscuits, condiments, dried fruits, decorations, baskets, mugs and bowls of Christmas theme.

We have received some great feedback from our Facebook followers and our group is growing every day. Join up today – Geebung State School P&C Association.

The next P&C meeting will be the AGM on Tuesday, 10 February 2016 at 7pm in the library. All are very welcome.

HPE News

The HPE award acknowledges exceptional effort and attitude in HPE lessons. Last week’s award winners were the class of 3B for all students remembering their swimmers, caps and swim shirts for their swimming lesson and Clara L (P/1A) for an exceptional effort in weekly swimming lesson. This week’s award winners were 4/5B and 2A for all students remembering their swimmers, caps and swim shirts for their swimming lesson and Casey P (6A) for excellent breaststroke in swimming.

The Geebung State School Swimming Carnival will be on Monday 1st December 2014 for students aged 9 years or older. It will be beginning at 9:15 a.m. Below are the anticipated times for the day:

- 9:15 a.m. Mr Auer welcomes students and parents to the event
- 9:20 a.m. Freestyle Events
- 10:00 a.m. Backstroke Events
- 11:00 a.m. Morning Tea
- 11:30 a.m. Breaststroke Events
- 12:30 p.m. Butterfly Events
- 1:00 p.m. Lunch
- 1:45 p.m. Relays and Presentations

Also, the Year 3 and 4’s have been training for a netball competition that will be held on Wednesday 10th of December 2014 at 11:30am to 1:00pm. The three classes will participate in games against each other. It would be great to have parents come along to spectate, cheer and assist in the organisation of teams.

This year the organisation of the swimming carnival will be slightly different. There will be an age champion race and participation races for each stroke. However, rather than swimming heats on the day of the event, the students have been timed in their swimming lessons during the past three weeks. These times will be used to determine the students who will swim in the age champion race. This will ensure the event is well organised and will allow those students in the participation races a more equitable opportunity to succeed.

Gardening

While the garden plot is winding down for the year, we are still hoping to harvest some more produce before the term end so keep an eye out at assembly. Quantity is low so buying at assembly is your best bet at the moment.

I was recently asked by one of our students on some advice with gardening. I'm certainly not a horticulturist (...is anyone out there?!?...) so instead tap into my love of gardening and what I've learnt over the years and probably more relevantly, some good books and website links. If you are reading this column for the first time, we have been planting by the moon calendar. We started off as an experiment as moon planting minimizes the use of fertilisers and pesticides (the later of which is not used at all) which supports the concept of sustainable living.... very important for our children to understand as well as for obvious health reasons...but have found it pretty successful so sticking with it for the time being. We rely on advice from Annette McFarlane for seasonal planting (www.annettemcfarlane.com/vegetable.htm), Gardening Australia - The Vege Patch (www.abc.net.au/gardening/features/vegepatch.htm), moongardeningcalendar.com, 'Eat your Garden - Organic gardening for home and schools' (thank you Tamara Sherlock!) and more recently 'Outdoor classrooms - a handbook for school gardens' which I hope will become more prominent in 2015.

Operation Christmas Child
Thank you to everyone who contributed to the shoe box appeal. The response was overwhelming. Thank you also to the students who helped with the packing of the shoe boxes.

Today on assembly our Year 7 students did a wonderful job at performing Feed the World and we as a school presented 50+ shoe boxes to Anne from Samaritan’s Purse.

Thank you for the difference you have made in the lives of those children less fortunate than us.

Christmas Festive
Today our senior choir performed at the Geebung Uniting Friendship Group. They were amazing!

They performed 5 songs and then invited the audience to join them in a sing along to Christmas Carols. A fun time was had and several people commented on how well the students sang.

Thank you to Mrs West for all of the work and effort put into preparing the students, and to Mrs Stanford for her assistance. I would like to thank the Year 7 students for all of their help, without you this would not have been possible.

28 November 2014

Dear Parents/Carers,

It’s hard to believe our school year is drawing to a close. Book list for next year have been sent home and it won’t be long before we are thinking about how to cover our children’s books for next year. The P & C have a cheap and easy option to make covering books for next year stress free, with the added bonus of helping to support our school.

Attached is a flyer from EZCOVER book covers. These fun and affordable covers are easy to use and eco friendly. There are lots of fun designs to choose from and they can be order online, by you and sent directly to your home address. By entering the Code ZFA186 when ordering a percentage of each cover ordered will be donated to our school.

This is a great opportunity to take the stress out of book covering, while helping to support our school.

Yours sincerely

Dear Parents

Although it has not been past practise to seek parental opinions regarding student placement for classes, in 2014 for the 2015 school year we would like to trial a process that allows you to give us relevant information that will help us select the best combinations of students. This process does NOT GUARANTEE you will get every request you write down, rather it is hoped we will be able to accommodate your requests.

The information sections below are the only areas you are welcome to comment in and no other areas will be considered. Please fill in 1 form for each child.

Student’s Name: ___________________________________________ Current Class: ________________

1. Some families have twins or multiple siblings in the same year level. Would you prefer to have them in the same or different room if that is possible? (Please circle your choice below)

   a. same room please

   b. different room please

2. Finally, there may be some other issues that you believe we need to know about. This may include medical issues, custodial arrangements or changes to home situations or other relevant information. Teacher preference will not be considered!
