

Class Newsletter

Term 2, 2021

4B

Dear Parents /Caregivers

I hope this newsletter finds everyone healthy and happy. This term is going to be very busy and full of different activities and experiences.

Homework

Nothing much has changed with homework. It is still due on Monday and new homework will be handed out on the same day. It is always appreciated if you can assist your child to schedule enough time in the week to complete all the homework and remind them to pack it in their bag ready for Monday.

Uniform Requirements

Can I please just remind parents that any student with hair that touches their shoulders must have it neatly tied back. There has also been some inappropriate jewelry being worn to school – earrings must be small, plain studs and any other jewelry (rings or necklaces must have a cultural reason to be worn – a note explaining this would help immensely.) The wearing of nail polish is also not acceptable.

Curriculum

In English we will be studying the structure and language features of historical recounts and writing their own historical recount based on a character who arrived on the First Fleet. In Mathematics we are exploring odd and even numbers, multiplication and division facts and building spatial understanding by investigating a variety of maps. Properties of materials will be the focus of Science and in HASS we will continue to explore Australian history up till 1800, as well as investigating rules and laws. In Technology we will be focusing on the properties of material and recycling an unwanted piece of clothing into another useful item.

If you would like to contact me, please email - tkubl1@eq.edu.au for not so urgent matters or ring the school office before and after school hours and ask to be put through to me if you need an immediate response. Please be aware that I will not always be in the classroom during these times and I do not always check my emails between 8:30am and 3:00pm, so if it is incredibly urgent leave a message at the office and they will get it to me ASAP, thank you.

I look forward to another term full of new experiences and learning.
