Term 3, 2021

3A

Dear Parents /Caregivers

Welcome to Term 3.

It's crazy to think that we are over half way through the year! Let's see what this term has in store for us.

Homework will continue as usual, with students receiving it on Monday, and it being due Friday. Spelling test is on Friday as well. Some students have been submitting homework which is only half completed, so it might help if you have a quick check of their homework before it goes in their bag. This would be greatly appreciated.

We have Dance on a Monday, Religious Instruction on Tuesday, Music and Japanese on Thursday, and Physical Education and Library on Friday. Students are required to transport their books to and from school and the library in a library bag. If your child does not currently have a library bag, could you please provide this (even just a plastic bag will work if you don't have a library bag).

This term students will be learning about the following:

English – students will complete a comprehension assessment and a written piece about the book Fantastic Mr Fox. For the writing task, students will take on the role of a character from the book and write a procedure that matches something that this character would do.

Maths – students will be learning how to tell time to five and one-minute intervals. They will be learning different units of measurement to do with length, capacity and mass. And lastly, learning about patterns and problem solving.

Science – we will be exploring heat and how heat is transferred from one object to another. We will also learn about conductors and insulators of heat.

HASS – we will be learning about human and natural features of places, rainfall in these places, landmarks in Australia, and how to make democratic decisions.

Design Technology – students will learn about food and fibre production, and will create a lunch box item using what has been learnt from this unit.

REMINDERS

Brain Break

Students may bring a healthy snack every day for brain break at 10am. Fruit and vegetables are accepted.

NO HAT NO PLAY

Students are required to bring their school hat every day.

Drink Bottles

Drink bottles are essential every day of the school year. Students are allowed to leave them in the classroom for easy access.

Bells

Children are to be lined up when the first bell goes at 8:45am. Parents are to wait in the eating area for collection at the end of the day.

Jumpers

Please ensure all jumpers and jackets are clearly named to avoid confusion about ownership and so they may be returned if misplaced or left in the classroom.

Class Newsletter

Term 3, 2021

Health – we are learning about safety in and around the school, and how we can make safe choices.

I am looking forward to another great term of learning and having fun! Fingers crossed we can make it through the term without another lockdown!

Please feel free to email me with any questions or concerns you may have.

Yours sincerely

Sarah Virtue
Class Teacher
