Term 3, 2021

Prep C

Dear Parents and Caregivers,

Welcome to Term 3! We are officially half way through the school year. How time flies when you're having fun. We have a lot of learning to get through this term so will be making a start as soon as we get back from holidays. Looking forward to seeing what the term brings!

Unit Outlines Term 3:

English	In this unit students listened to, viewed and interpreted a range of multimodal texts, including poetry and rhymes, to develop an understanding of sound and letter knowledge and a range of language features.
Maths	In this unit students applied a variety of mathematical concepts in real-life, lifelike and purely mathematical situations. Through the proficiency strands; understanding, fluency, problem-solving and reasoning - students were given the opportunity to demonstrate their ability to answer simple questions to collect information and make simple inferences. Making connections between days of the week and events, as well as explaining the order and duration of events was also explored deeper.
Science	In this unit students examined familiar objects using their senses and aimed to understand that objects are made of materials that have observable properties. Through exploration, investigation and discussion, students learned how to describe the properties of the materials from which objects are made and how to pose scientific questions.
HASS	In this unit, students explored what places are like and what makes them special.
Health	In this unit students explored how their bodies are growing and developing, and identified the actions that will keep them healthy, such as diet, hygiene and physical activity.
Visual Arts	In this unit, students explored how visual language can be used to communicate and relate to mood and feelings.

REMINDERS

Brain Break

Students may bring a healthy snack every day for brain break.

NO HAT NO PLAY

Students are required to bring their school hat every day.

Drink Bottles

Drink bottles are essential every day of the school year.

Jumpers

Please ensure all jumpers and jackets are clearly named to avoid confusion about ownership and so they may be returned if misplaced.

Homework

Homework will be sent home on Friday afternoon. Please ensure you complete one activity from this term's new activity grid so your child's homework can be marked as completed. A reminder that homework is due each **Thursday morning**. I mark homework and change home readers before and after school. I cannot guarantee homework will be marked and readers changed if your child's homework is sent in late.
