Term 3, 2022

1C

Dear Parents /Caregivers

Welcome to Term Three! I hope you all enjoyed the break and are ready for the second half of the school year. Time is sure to fly and we have a lot of exciting things happening this term.

General Reminders

Please clearly name **ALL** belongings to increase the chance of your child's belongings safe return. All unnamed, unclaimed items will be put in the Lost Property box under C Block.

Uniform

Please remember that formal uniforms are to be worn on Tuesdays (Assembly day). Just a reminder that jumpers should be green and long pants/tights should be black. Nail polish should not be worn on fingernails during the school week.

Parent Helpers

We are continuing with reading groups from 10:25-10:55am. If anyone is free on Monday, Tuesday or Wednesday to help out please let me know ASAP. We will begin groups in Week 2.

1C will also be going to the computer lab this term. We are going at 9am on Fridays and I would love some help, especially in the first few weeks, as students have never logged on to the computers before. You do not need to stay for the whole lesson (unless you want to) but any help with the log on process will be greatly appreciated. It can take a very long time when they are first learning this process! Please let me know if you can help out.

Don't forget to send in your shoe boxes! We make a diorama for Science – when we have 25 boxes we can start this process. More information to follow.

Yours sincerely

Kirsty Drake
Class Teacher

Tracey Douglas
Principal

UPCOMING EVENTS:

Geebung Flyer Awards

July 12th 9am

Ekka Treat Day

August 3rd

EKKA SHOW HOLIDAY

August 10th

Book Week Assembly

September 2nd

REMINDER

Next term students will be going on an excursion to TREVENA GLEN FARM. The approximate cost is \$30 – please start saving. If you would like to set up a payment plan please contact the office and they can assist with this. We do not want anyone to miss out on this wonderful experience because they can't afford it!

Term 3, 2022

Specialist Lessons

Wednesday: HPE and Music
Thursday: Gross Motor
Friday: Drama, Health and Library

Curriculum:

Subject	Unit Description
English	In this unit, students listen to, read, view and interpret texts with animal characters to explore how they reflect human qualities. Students create an animal character to be included in a literary text, and discuss their choices in an interview.
Maths	In this unit students apply a variety of mathematical concepts in real-life, lifelike and purely mathematical situations. Students will recall the ones, twos, fives and tens counting sequences, count to and from 100 and locate these numbers on a number line, explain time duration and recognise time to the half hour, recognise, describe and order Australian coins according to their value, order and measure objects based on their length and capacity.
Science	In this unit students will describe the observable features of a variety of landscapes and skies. They will consider changes in the sky and landscape, and the impact of these changes on themselves and other living things.
HASS	My Changing World (This unit will continue into Term 4) In this unit students will describe the features of a local, familiar place. They will discuss which features are constructed, managed and natural.
Technology	Spin It (This unit will continue into Term 4) In this unit, students will explore the characteristics and properties of materials and components that are used to produce designed solutions. They will design and make a spinning toy.
Health	Good Choices, Healthy Me In this unit students will examine health messages related to the health benefits of physical activity, nutritious dietary intake and maintaining good personal hygiene habits to help them stay healthy. Students will describe how to keep themselves and others healthy in different situations.

Homework

You will notice that homework has changed! It now includes some Maths that we have done in class. Please support your child with this – even just reading the instructions to them could be helpful.

Homework is still due back every THURSDAY and sent home every FRIDAY!
