Term 4, 2023

3C

Dear Parents /Caregivers

Welcome to Term 4.

Here we are at last in the final term of Year 3 - my how we've grown!

Homework will be going out on Thursday with the due date being the following Wednesday. Spelling test will be on Wednesday as well.

We have Health and Japanese on Monday, Music on Thursday, and Swimming and Dance on Friday. Library borrowing is on Wednesday. Students are required to transport their books to and from school and the library in a library bag. If your child does not currently have a library bag, could you please provide this (even just a plastic bag will work if you don't have a library bag).

Swimming in PE will commence in Week 2 and students are required to have their swimmers, a shirt over the top (shoulders to be covered), goggles, a swim cap, towel, and wear sunscreen. Please ensure all items are named so that they are easily returned if lost. Students will be doing swimming at 12:30 on Fridays, so it may not be the best idea to send students to school with their swimmers underneath as they will become quite hot throughout the morning session and morning tea.

This term students will be learning about the following:

English – students will produce a senses poem about a chosen setting.

Maths – students will investigate measurement, focusing on length, mass and capacity. They will explore addition, subtraction and partitioning strategies, representations of multiplication facts, and also 3D shapes.

Science – students will investigate the states of matter, the process of changing states, and how this can be reversed. They will conduct experiments on applying heat and removing heat from objects.

Design Technology – students will design and make a lunch item that includes modern and traditional technologies.

REMINDERS

Brain Break

Students may bring a healthy snack every day for brain break at 10am. Fruit and vegetables are accepted.

NO HAT NO PLAY

Students are required to bring their school hat every day.

Drink Bottles

Drink bottles are essential every day of the school year. Students are allowed to leave them in the classroom for easy access.

Bells

Children are to be lined up when the first bell goes at 8:45am. Parents are to wait in the eating area for collection at the end of the day.

Jumpers

Please ensure all jumpers and jackets are clearly named to avoid confusion about ownership and so they may be returned if misplaced or left in the classroom.
