## 2024 Enrolment Registration

Geebung State School has an Enrolment Management Plan. Each year we have a number of families who reside outside our school catchment who would like to enrol their child at our school. To support this, the school opens its Registration List for children wishing to enter Prep and other year levels, at the start of term two the year prior to their enrolment. Please note, children eligible for Prep in 2024 must be born between 01 July 2018 and 30 June 2019.

[Enrolment Registration Form is below.](#)

### Out of Catchment Enrolments

The waiting list for Out of Catchment 2024 enrolments will open at 9am on Monday 23 January 2023. Enrolments will not be accepted prior to 9:00am on this date.

Registration Forms are to be submitted via email **ONLY** to [Enrolments@geebungss.eq.edu.au](mailto:Enrolments@geebungss.eq.edu.au)

Additional documentation (e.g. proof of residence and date of birth) is NOT required when submitting a Registration Form. Emails will be ordered by the time they are received after 9am.

### In Catchment Enrolments

**Families living within our catchment area will be guaranteed an offer of enrolment.** Younger siblings of children currently enrolled at Geebung State School are also eligible for an in-catchment placement. If residing Out of Catchment the older sibling must be enrolled at Geebung State School in 2024.

In order to predict enrolment numbers for 2024 we ask that families residing in catchment and those with younger siblings also complete a 2024 Registration Form so we can allocate a place for your child. This form can be submitted to our office at any time after 9am on Monday 23 January 2023.

Enrolment offers for **Out of Catchment** places will be made strictly in the order the registration forms are submitted as per our Enrolment Management Plan. These offers are very limited and are subject to vacancies after all in catchment children and siblings have been allocated a place
