
I would like to thank The Geebung Community for your continued support of the Chaplaincy Service and share with you some of the things that have taken place over this last term.

Lunch Activities

This term as a lunch activity Mrs. Smith and I ran a card making club, “Crazy Card Club”. Each we week had up to 40 students attend.

Next term Mrs Smith and I are doing crochet as a lunch time activity. We would like to make bookmarks or something simple that can be sold at a later date. If you are interested or know of anyone who can help on a Thursday between 1-2pm please contact me on chaplain@geebungss.eq.edu.au or 043122730.

We are also seeking donations of size 4 crochet hooks.

Lighter side of Life

Q. How does the Easter Bunny stay fit?

A. Eggs-ercise and hare-robics!

Parent workshops

On February 18 the chaplaincy service in conjunction with the school, The Smith Family and Red Cross, held the 3rd parent workshop. Topics covered at this workshop were:

- School expectations
- Saver Plus presentation
- Reading with your kids

Morning Tea

On Tuesday the 28th January the Chaplaincy service held a morning tea for the parents of the prep students. This was attended by approx 20 parents, Gran parents, Aunts and Uncles and was a great morning. I enjoyed getting to know the families and sharing about the chaplaincy service.

Northside inter-agency
On Thursday 6th Feb I attended The North side interagency meeting held at Community Place Stafford.

Today the middle and upper school had their cross country.

As the students passed me I was amazed at their attitude. Cross country is never easy as it is all about endurance. I saw students who were really struggling to complete the course dig deep and keep going even though they had a stitch, sore legs, had injured themselves. I saw students encouraging and helping each other.

Thanks

Thank you to those business’ who generously allow us to place a donation tin in their shops.

Year 4 camp

An awesome time was had by all at the year 4 camp. It was really great to see the students challenge themselves and try New experiences even when they are scary!

Upcoming events

Chappy Week is coming up from May 18-25

Food for thought

As you take a couple of day’s holiday for Easter, I hope it’s a great time of rest and refreshment. I wonder also if you’d consider the deeper message of Easter, the message of love and sacrifice and forgiveness, and if it has any significance for you.

Meals Ministry

This year once again with thanks to Centrepoint Ladies Group the chaplaincy service has been able to continue the meals ministry.

This is where if a family has had a baby, or may have a relative in hospital etc we are able to provide a meal/meals to help ease a little of the time pressure on the family. It is hoped that providing a meal to people within the community is a very small but practical way of assisting them.
